BUS SERVICE POLICY

The CBCC Bus Service Policy is to ensure the College provides a professional and reliable bus service to our students. The objective is to ensure students who use the service are transported safely to and from school for an affordable fee.

**Operations:**

1. **All requests** to use the bus service must be initiated by the parent/guardian, and confirmed by the Business Office or Bus Coordinator.
2. Bus routes and timetables, and stops will be finalised and published before the start of the school year. Routes are designed to be no longer than 1 hour in duration and preference is given to full-time users. In order to achieve this and comply with government regulations, bus stops are generally located on a main road as close as is practicable to the student’s residence.
3. Parents/guardians are required to drop off and pick up their students at the designated bus stop.
4. Students are required to be at their designated bus stop at least **5 minutes before the scheduled time.** This is crucial to our safety requirements and the efficiency of our bus operation.
5. If for any reason the bus is not able to be at the designated stop within 30 minutes of the scheduled time, the bus driver or staff at the College will contact parents/guardians.
6. Students should remain at the bus stop for at least 30 minutes. **All parents using the service must ensure the College has an up-to-date telephone number on which they can be contacted during the hour before and after the scheduled time.**
7. **Parents/guardians of students from Prep to Year 7 must provide the College with a letter of consent if they are to be left at the bus stop without supervision; all other students will remain on the bus and returned to the College.** Parents/guardians of students returned to the College will need to make alternative arrangements for their children to be collected from the College.
8. If a student is absent from the College for any reason (holiday, extended absence), on the day/days that they are scheduled on the bus service, parents must contact the **bus driver – in writing –** either by letter, text or email, including the student name and reason for absence. In the event that a student is sick prior to the morning pick up, it is important that the **bus driver** is immediately contacted by phone or text.
9. When contacting the bus driver, you must wait for an acknowledgement that he has received your call/note. In most cases, the bus driver will be driving and will be unable to answer the phone, but will endeavour to attend to all calls/texts upon stopping. If the bus driver doesn’t return your call please contact the Bus Co-ordinator on 0432 427 712.
10. Parents are asked to contact the Bus Coordinator in writing (by letter or email) at the earliest convenience, should there be any changes to the drop off or pick up arrangements.
11. All enquiries about the bus service or delays in students arriving home should be directed to the Business Office or the Bus Coordinator on 0432 427 712.
**Bus Seat Allocation:**

- Seats are allocated to full-time users who live furthest from the College and who have no other alternative transport. Part-time or casual users can only be included if seats are available.
- If there is an excess of applications to use the bus service, unsuccessful applicants will be notified and placed on a **waiting list**.

**Bus Fees:**

1. Bus fees are generally calculated and charged per term based on usage specified in the application.
2. Once invoiced, bus fees cannot be adjusted until written notification is received by the Bus Coordinator from the parent/guardian. Adjustments can arise from cancellation of usage, leave of absence, and change of address or other extenuating circumstances.
3. Bus fees are based on a contribution towards total operating costs, the number of users and affordability.

**Bus Regulations:**

Bus Regulations are a key element in ensuring the comfort of passengers and the safe operation of the school buses. Their main purpose is to prevent the unnecessary distraction of the driver whose attention needs to be focused on traffic and road conditions. As this affects the lives and wellbeing of your children, please ensure they clearly understand these rules and the consequences should they not adhere to them. All normal College rules apply; as well as the attached ‘Code of Safe Bus Behaviour’ and are in addition to the following:
