Dear Prospective Parents and Students,

We welcome your enquiry about Coolum Beach Christian College. The choice of a school has a major influence on a family and on the life of the child. The purpose of this document is to give you some information on Coolum Beach Christian College, its values and beliefs and the personnel involved in this organisation.

We have endeavoured to build a school that reflects sound Christian principles within a progressive and proficient educational environment. We have ensured that all staff selected are of the highest calibre and that facilities and resources are designed or purchased to make certain of the highest learning outcomes.

Coolum Beach Christian College is interested in your child as an individual, and our aim is to develop your child in all areas: socially, emotionally, physically, spiritually and intellectually. We are a school that has a strong moral emphasis, and we develop in the individual the ability to make sound moral decisions, become effective members of society and agents for change in the lives of those around them.

In the physical design of our school we are consistently aiming at minimising any impact on the natural environment, whilst making the most of the special features of that environment. For example, buildings have been designed to make the most of natural ventilation and lighting and, in most cases, without interference to the existing land contours. The abundant Queensland sun is to be harvested through solar panels that will feed into the main electricity grid. Environmentally friendly recycling is emphasized wherever possible. These are important illustrations to your children of how to take care of God’s creation.

I would like to invite your family to come and visit the College to see for yourselves the facilities we are developing and discuss the educational opportunities available. Should you be interested in discussing enrolment, I would ask you to contact me at your earliest convenience.

Yours faithfully,

Mr Terry Hornby
Principal

Coolum Beach Christian College has a mission to provide exceptional Christian education with academic excellence, igniting a passion for education and inspiring students to achieve their full potential.

Coolum Beach Christian College is situated at Coolum Beach on Queensland’s beautiful Sunshine Coast. Five minutes out of central Coolum, we are blessed with a quiet rural environment in the midst of cane fields and bushland. Access to the many facets of the Sunshine Coast, from beaches and rocky headlands to rainforest areas and a magnificent hinterland, is facilitated by Coolum’s central location.

A modern curriculum laced with strong Christian values and an emphasis on the development of the individual allows excellent opportunities for children to succeed in a safe and nurturing environment. Architecturally designed, air conditioned with an emphasis on environmental sustainability our large rooms are easily able to accommodate all of the learning experiences you would expect in a modern educational facility.

CBCC offers …
- Strong academic emphasis
- Fully air-conditioned classrooms
- Committed, caring Christian Teachers
- Small class sizes
- Low fee structure
- New, quality facilities and resources
- Classes from Prep to Year 12
- Integrated curriculum and real-life education
- Experiential learning through an age-appropriate camping program
- Family and community atmosphere
- Safe and Secure environment
We believe, together we can build a better world.

We see a world...
where families of all shapes and sizes are coming together in community; a world where children experience family and Christian values; a world where families see life as an adventure that integrates educational, social, spiritual and cultural contexts. We see a world where kids learn they are valued, but also learn to value others; a world where the wonder of God’s creation comes to life as we journey together and children are engaged, challenged and supported.

We see a College...
that celebrates the uniqueness of every child, but even more, the richness of strong friendships and collaboration; a College that inspires children and their families to dream and then supports them to achieve their dreams; a College where every child can learn and love learning. We see a College that journeys in life together and shares their trials and triumphs; a College that loves God and the blessings He has invested into each of us through our diverse personalities and talents.

We see a future...
that is built on strong leaders in all capacities...who are maturing in our College right now; a future where people feel they belong and can actively make a difference in their community whether local or global; a future that our children are passionate about, hope for and anticipate with enthusiasm. We see a future where we are loving life and learning together; a future where the journey has been just as exciting as the destination.

WE ARE COOLUM BEACH CHRISTIAN COLLEGE!
Statement of Faith

1. The Bible is the inspired and only infallible and authoritative written Word of God.
2. There is one God, eternally existent in three persons, God the Father, God the Son, God the Holy Spirit.
3. In the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years. In the blessed hope – the rapture of the Church at Christ’s Coming, in the resurrection of both the saved and the lost, one to everlasting life and the other to everlasting damnation.
4. The only means of being cleansed from sins is by grace through repentance and faith in the precious blood of Jesus Christ.
5. Regeneration by the Holy Spirit is absolutely essential for personal salvation.
6. In the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life.
7. The baptism in the Holy Spirit according to Acts 2:4 is given to believers who ask.
8. In the present day reality of the supernatural operation of the gifts of the Spirit.
9. The redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer
10. In the observance of the ordinances of Christian baptism by full immersion for believers and Lord’s Supper.

Aims, School Management and Community Involvement

To provide relevant and appropriate learning activities for all students.
To provide a wholesome and caring environment in which all people are valued and supported.
To ensure that individual differences are catered for in a non-discriminatory and supportive manner.
To provide a range of learning activities aimed at developing the whole child.
To develop an appreciation of ways in which people can live in harmony with God, each other and the natural environment.
To equip students with the skills to progress naturally into life in the wider community.
To allow students a school experience that is a solid, positive start to their lives.
At Coolum Beach Christian College, we believe that education should be exciting, satisfying and lifelong.

We want our students to become critical and compassionate thinkers, able to communicate well and make informed decisions. We want them to be able to defend their values, and understandings to others while becoming responsible citizens, able to adapt to change.

Our curriculum is designed to develop successful learners, confident and creative individuals and active and informed citizens.

We are a Christian School and as such, a Christian perspective directs our curriculum and filters into the learning opportunities we present.

We believe that strong character development is as important as the development of the mind. Our Christian values equip students to build social and emotional intelligence that will equip them for life.

Our curriculum aligns with the new National Australian Curriculum framework and focuses on the total growth of the student, intellectually, physically, socially and spiritually. All students are provided with comprehensive and balanced learning programs which introduce them to the major areas of human knowledge and on which future learning and adult life can be built.

Within our curriculum there is strong emphasis on literacy and numeracy with explicit scaffolding of skills. These skills provide students with a foundation to develop a range of generic skills that will have a lifelong application to learning.

Our focus as a school is that students will be motivated by dynamic learning opportunities and develop as engaged focused learners. Our goal is for curriculum to open journeys of opportunities for our students, realising their ability and attaining the highest possible curriculum outcomes. Students may be involved in searching for minibeasts, digging up historical relics, creating a museum display, researching information for the local solar farm, or investigating a crime scene.

At Coolum Beach Christian College we have a passion to prepare students to think well and live deliberately.

Committed teachers ensure the provision of the highest quality educational program. Care is taken to ensure students have the appropriate balance of all key learning areas.

In Primary school, swimming lessons are held in First and Fourth Terms, and a school-wide Perceptual Motor Program is run throughout the year. A range of other sports activities are run in the other terms. These include, athletics, swimming & cross-country carnivals.

Secondary school has a sports elective program where students can chose to take part in sports such as, soccer, water polo, lawn bowls, volley ball, netball, basketball and many other options.

Primary and Secondary students take part in the Noosa District Interschool Sporting competitions, including a Year 8 and Year 9 interschool sport competition.
Fees and Government Funding

All accredited independent schools receive both state and federal funding. Whilst this provides some level of support, it is necessary that a fee is charged to maintain a high standard of educational programs and to develop facilities.

Fees are kept to a minimum and school expenditure is carefully monitored to ensure wise stewardship. Discounts are made available to families who have two or more students enrolled.

We have a concession program for parents who have trouble meeting fee commitments — please make sure you talk to us if this is a concern. We are an independent school providing a Christian education for those families desiring of such for their children.

Uniform

An attractive and functional uniform has been developed with parental consultation. All students are required to conform to the uniform regulation at school and whilst travelling to and from the campus. Being a Sun Smart school we have made sure that children are well-protected with broad-brimmed hats, shirts with collars and adequate length sleeves. There are distinct uniforms for Prep, Primary, Middle School and Senior School.

Enrolment Procedures

Our College is open to any student whose parents are seeking an education consistent with our aims, provided the College has the necessary resources to meet that student’s particular needs. The College reserves the right to withhold entry if it seems likely that the special needs of the student are unable to be met by the College. Enrolments are taken throughout the year.

The enrolment process is as follows:

- Lodge enrolment application form along with enrolment application fee (please refer to Fee Schedule). The application forms are included with this document.
- Arrange interview with Principal and tour of school.
- Confirm enrolment of your child with payment of the Enrolment Confirmation Fee (please refer to Fee Schedule.)

Should it become necessary that a child cannot continue enrolment at Coolum Beach Christian College; parents/guardians must inform the College in writing as soon as possible. Twenty (20) term days written notice, excluding school holidays is required prior to the last day of their child’s attendance, otherwise one month’s fees will be charged in lieu of notice.

Policy and Procedure for Long Future Enrolments

A Long Future Enrolment is any enrolment which will occur in a year after the next academic year.

<table>
<thead>
<tr>
<th>Current Year</th>
<th>Next Academic Year</th>
<th>Any Year after Next Academic Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>Normal enrolment process</td>
<td>Normal enrolment process</td>
<td>Long Future Enrolment process</td>
</tr>
</tbody>
</table>

Process

I. The application will be received and processed in the normal fashion.

II. The normal $50 fee will be applied before the initial interview

III. If successful, at interview a place will be offered for the desired year.

IV. The normal enrolment processing fee of $200 per application (capped at $400) will be charged with the Letter of Offer.

V. A Future Enrolment Bond of $300 will be charged with the Letter of Offer.

VI. The Future Enrolment Bond will be applied to the first term’s fees after the enrolment has commenced.

VII. The Future Enrolment Bond is non-refundable if the family decides not to take up the allocated space.

VIII. The family may apply to the Principal for a refund of the Future Enrolment Bond if hardship conditions exist such as a job transfer or other reasonable situations.

IX. The above points IV – VIII will be included in the Letter of Offer as well as articulated at the initial interview.
Educational Accountability

It is compulsory for all independent schools in Queensland to be accredited with the Non-State Schools Accreditation Board if they are to operate as a school. This process ensures schools provide an appropriate level of educational service. Coolum Beach Christian College is fully accredited to deliver Preschool, Primary and Secondary education.

As a member of the Associated of Christian Schools, our school is committed to providing excellence in education. Membership dictates all facets of operation of the College are reviewed every five years by a committee consisting of principals from a number of Christian Schools as well as representatives from the Office of Non-State Schools who act on behalf of the Minister of Education.

School Camps

Classes from Year 2 upwards are involved in our school camping program. The program is sequential, beginning with a sleepover at Underwater World and eventually progressing to a major Year 12 experience. Each camp focuses on individual and team development, providing students with stimulating and challenging activities.

Pastoral Care / Behaviour Management

At Coolum Beach Christian College we endeavour to teach the children to C.A.R.E. by upholding the following attributes:

- Christlikeness (character, integrity, empathy, etc)
- Attitude
- Respect & Responsibility (to self, to family, to country, to God)
- Excellence

When there are disagreements between students or students cause disruption, staff engage in a process of questioning students to encourage them to manage their own attitudes and behaviours and restore each other in such a way that values everyone involved. The College’s approach is essentially firm and friendly. Acts of physical violence will not be tolerated and a student would be removed from the classroom, should such a situation arise. Other issues are generally worked through with structured discussion.

There are several key elements to our pastoral care system ...

- Rewarding positive behaviour and attitudes
- Having clear expectations both in class and in the playground
- Students are made aware of or agree on appropriate consequences
- Students who willingly disrupt the learning of others follow the strike system detailed in our Parent Handbook.

Sun Smart Policy Statement

Coolum Beach Christian College realises the need to protect children’s skin and educate them about SunSmart behaviour, thus reducing the risk of skin damage from exposure to the sun. Our SunSmart motto is “No Hat, No Play”. You can find further details about our SunSmart Policy in our Parent Handbook.
**Primary School**

The main purpose of primary schooling is to ensure that all students learn and gain a permanent love of learning. At Coolum Beach Christian College our primary years program directly caters to each unique stage of child development. All children are introduced to the major areas of human knowledge and our enquiry based learning format ensures that students are highly engaged and develop high order thinking and problem solving skills. During the primary years children begin to develop a sense of self; they establish independent relationships and social friendships.

At our College we believe that character development is as important an aspect of learning and success as ability and acquired skill and we support the character development of our students through our strong pastoral programs. Our teachers have a deep commitment to the spiritual and psychological development of our students. Chapel services, devotions, social skill lessons and workshops are a regular part of our students’ lives.

We understand teachers of primary school children constitute a distinctive feature of primary schooling. We employ teachers who have a rich set of skills and capacities and a deep understanding of how children learn during the primary years. As we nurture and support students at this primary stage we believe they will learn to understand themselves and learn to care for and support others.

Students will experience opportunities to participate in the areas of art, sport, music, and other cultural pursuits through planned activities and events. These activities may be part of their core learning units or a separate scheduled program. Throughout the year there are opportunity to showcase their talents and skills both at school and through external events.

Primary schooling has a critical role to play in the lives of children. Our primary school is defined by high expectations, joy in learning and rich experiences.

**Middle School**

The middle years are a significant time for growth and development for students as they make the change from childhood to adolescence. It has been established that early adolescence mirrors early childhood in its complexity and importance to educational success. Our middle year’s environment is characterised by a tailored approach to teaching and learning that specifically considers the needs of middle school students. Focusing on student engagement, our middle school is designed to assist students to continue learning well and involves a unique and appropriate combination of curriculum, pedagogy and environment.

To keep students interested and motivated our middle school curriculum is designed to align with the national curriculum but integrates learning in a way that is relevant and challenging. Our curriculum provides real life examples and connections between the classroom and the world; it uses a balance between scaffolded learning experiences and innovative opportunities. Our teaching and learning strategies (pedagogy) involve students engaging in selecting and investigating concepts they are exploring. Our students are active participants in the learning process.

Middle School student relationships flourish due to a core teacher being assigned to each year level. The core teacher is able to provide the security and mentoring students require at this age. Students have more continuity with a teacher while still exposing them to a variety of different teaching styles and personalities.
Senior School

Senior School at CBCC encompasses Year 10 to 12. The Year 10 program provides a bridge and introduction to senior subjects allowing students to engage in learning and appreciate the requirements and commitment necessary for Years 11 and 12 without the assessment being recorded for OP calculations and final exit statements.

Requirements for completion of the QCE (Queensland Certificate of Education) include studying a minimum of 3 senior subjects in Years 11 and 12. Students must exit each subject on a PASS in order to be awarded the credit points. School-based traineeships and apprenticeships also count for credits towards the QCE.

There are many reasons to complete your senior education at CBCC. Besides focusing on building student character and empowering them for service in the local community, the College provides individual learning pathways for students that promote students to “own their learning”, that is, to understand how they learn best, how they can maximise their potential and to develop an appreciation of learning and problem solving to assist them to achieve their best in life. Building upon programs being developed right throughout the entire College, the Senior School seeks to bring out the best in students utilising the latest models of successfully proven education available.

**Some of the benefits of completing senior education at CBCC include:**

- Individual student education plans
- Very small class sizes for greater teacher attention
- Dedicated teachers who are passionate about what they teach
- Christian teachers who believe in encouraging students to develop values such as good character, integrity, respect, self-discipline, honesty and passion for life
- Comprehensive and detailed school reports that identify the strengths and weaknesses of each students
- A family environment that welcomes parent and community involvement and support
- Continuous education from Preschool to Year 12.

Prep School

At Coolum Beach Christian College we are very proud of our Prep facility. Experts in Early Childhood education helped develop this facility and this is reflected in the high quality environment that has been established. The buildings maintain the consistent quality of design and child friendliness evident in other buildings of the College. Spacious air conditioned classrooms have been constructed with low toxicity and low allergenic materials and feature a unique cooling system and maximised natural lighting and ventilation.

The outside play space has been designed to enhance all areas of physical development. It features a rolling slope for vestibular stimulation [inner organ balance], a sensory trail, a climbing frame and a wet play area which includes a spray fountain, mud pit and a dry sand pit.
PREP FACTS AT A GLANCE
Prep is a non-compulsory, fulltime year which was introduced in 2007. In 2008 the State Government raised the school starting age by six months. (Children must now turn six by 30 June in the year they enrol in Year 1.)

Learning Enrichment

The vision for all students at Coolum Beach Christian College is for students to feel valued and supported in a learning environment which both challenges and inspires them to be their best, pursue individual excellence and develop a passion for life-long learning.

Our Learning Enrichment unit’s aim is to provide for this vision by providing resources to cater for individual student needs whether they be with learning support or our Advanced Learning Program.

To learn effectively, a child needs to experience success in school and feel confident about their learning experiences. Our learning support program seeks to identify students who may be experiencing difficulty with aspects of key learning areas and provide appropriate support, instruction, and guidance. All students are tested using standardised English and Mathematics tests and results are recorded in a school data bank. Results are analysed and used, in conjunction with teacher and parent consultation, to identify students who may need additional assistance. The school data bank also assists to monitor students’ progress across their school years.

The learning support program is coordinated by Mrs Tracey Shields and support for students is provided by dedicated teacher aides.

Advanced Learning Program
CBCC’s advanced learning program is based on the premise that students need to extend their individual potential and abilities through appropriate provisions.

CBCC Bus Travel

Bus Travel
In order to facilitate a more equitable share of bus running costs per family, circular zones radiating from the College have been mapped and costed according to their distance from the College and the number of children per family using the service. The table below illustrates these arrangements for fulltime students per term:

Bus Zones:
Zone 1: Coolum, Yaroomba, Mt Coolum, Peregian Springs, Yandina Creek, Valdora
Zone 2: Peregian Beach South, Verrierdale, Mt Ninderry, East Yandina, Maroochy River, Marcoolala
Zone 3: Marcus Beach, Peregian Beach North, Weyba Downs, Doonan, Eumundi, North Arm, Yandina
West, Bli Bli, Twin Waters, Pacific Paradise, Mudjimba
Zone 4: Castaways Beach, Sunrise Beach, Sunshine Beach, Noosa Heads, Noosaville, Tewantin, Eerwahvale, Coolabin, Kullangoor, Nambour, Woombye, Kiel Mountain, Rosemount, Diddillibah, North Buderim, Kuluin

A place on the bus is subject to availability of seats, and seating priority will be given to fulltime users. Bus application forms are available from the Administration Office. A fee of $10 will be charged when parents make more than one change to bus arrangements per year. Please refer to the Ancillary Fees section for current Bus fares.
The Music Bus visits the Coolum Beach Christian College weekly and provides private music tuition, for a variety of instruments for students from Prep to Year 12.

For more information go to www.THEMUSICBUS.com.au
ENROLMENT FEES

</tr>
</tbody>
</table>

Tuition fees include curriculum, secondary subject textbooks and student accident insurance. The tuition fee does not cover items such as stationery, uniforms, hats or lunches.

SIBLING DISCOUNTS
While the cost of educating students remains the same, the College recognises that tuition fees can be more difficult for larger families. Fee concessions are offered to families with more than one child. The eldest child in the family enrolled at the College is considered the first student in every case and discounts apply in order of the first to the last student.

- 2nd student 15%
- 3rd student 30%
- 4th student 85%
- 5th student 100%

RESOURCE and ITC LEVIES per term (4 terms per year)

<table>
<thead>
<tr>
<th>RESOURCE LEVY (per term)</th>
<th>ITC LEVY (per term)</th>
</tr>
</thead>
<tbody>
<tr>
<td>$85</td>
<td>$50</td>
</tr>
</tbody>
</table>

- The Resource Levy covers sports, excursions, library resources, sports equipment etc.
- The Information Technology (IT) Levy is to support the College’s Information Technology Curriculum (ITC) teaching and learning environment for its students. Prices contained in this fee schedule may vary from time to time without prior notice to parents. Extra charges will be incurred if students are involved in special subject excursions and some subjects may attract a levy (Gr 10-12).

<td>per family per term</td>
<td>$20.00</td>
</tr>
</tbody>
</table>

- Building and Development Levy – Non Tax Deductible
  A compulsory levy per family which contributes to College building, development and maintenance programs.
- Building Fund Donation – Tax Deductible
  Instead of the compulsory building and development levy, a tax deductible voluntary donation of $350 or more per family.
• **Working Bee Levy**
Funds raised from the Working Bee Levy are used to maintain the grounds for the benefit of every student. Some or all of this amount will be credited if parents provide a minimum of 6 voluntary hours per term or other significant service to the College.

• **Parents and Friends Contribution**
The Parents and Friends Association levy contributes to their active fundraising efforts to purchase a variety of equipment and resources for the College.

**PAYMENT OPTIONS and DISCOUNTS**
Tuition fees and levies are invoiced at the start of the year and are payable by the end of the second week of each term, unless families are on an approved payment plan established through the Business Office.

The College accepts payments by EFTPOS, internet banking, cheque, cash, credit card (MasterCard and Visa) or Centrepay.

<table>
<thead>
<tr>

</tr>
</thead>
<tbody>
<tr>
<td>7.5%</td>
<td>Discount on annual tuition fees if paid in full by the end of the second week of Term 1</td>
</tr>
<tr>
<td>5%</td>
<td>Discount on term tuition fees if paid in full by the end of the second week of each term.</td>
</tr>
<tr>
<td>2.5%</td>
<td>Discount on annual tuition fees for monthly direct debit payment plans in good standing. This discount only applies to accounts paid via 10 monthly direct debits during Feb-Nov on the 1st of each month (discount is applied to final direct debit payment due 1st Nov).</td>
</tr>
</tbody>
</table>

**FINANCIAL ASSISTANCE**
No family should endure unreasonable financial hardship because of tuition fees. A limited amount of concessional financial assistance is available for families in genuine need on a short term basis. Please contact the Business Office to find out more.

**NOTICE OF WITHDRAWAL**
If families are intending to leave the College, the College must be informed in writing as soon as possible.

**Twenty (20) term days written notice, excluding school holidays is required prior to the last day of their child’s attendance, otherwise one month’s fees will be charged in lieu of notice.**

**OUTDOOR EDUCATION CAMPS**
CBCC’s outdoor education program continues to provide a diversity of activities and experiences for students during their time at the College and is a compulsory part of our curriculum. These fees are payable in Term 1 of each year. Refunds will not be approved for voluntary non-attendance. Camp fee contributions towards costs generally approximate: $95 for Year 2, $170 for Years 3-4, $230 for Years 5-6, $270 for Years 7-8, $300 for Years 9-10, and $320 for Years 11-12.
