

## COOLUM BEACH CHRISTIAN COLLEGE

*knowledge · wisdom · love*

### Child Safe Standards – Statement of Commitment

Coolum Beach Christian College is committed to creating and maintaining a child-safe environment where the safety, wellbeing, and dignity of every child and young person is our highest priority.

We are dedicated to providing a nurturing Christian community where students are respected, valued, and protected. We take a zero-tolerance approach to child abuse and harm and actively work to prevent, identify, and respond to any risks to the safety of children and young people in our care.

#### **We are committed to:**

- Upholding the rights of children and young people
- Listening to and empowering student voice
- Creating a culture of openness, trust, and accountability
- Ensuring all staff and volunteers uphold the highest standards of professional conduct and care
- Responding promptly and appropriately to any concerns or incidents

We recognise our moral, legal, and spiritual responsibility to provide a safe, supportive, and protective environment where every child can learn, grow and thrive.
