Responding to Reports of Harm

When the school receives any information alleging 'harm'¹ to a student (other than harm arising from physical or sexual abuse) it will deal with the situation compassionately and fairly so as to minimise any likely harm to the extent it reasonably can. This is set out in the College's Child Risk Management Strategy. Information relating to physical or sexual abuse is handled under obligations to report set out in this policy².

Conduct of Staff and Students

All staff, contractors and volunteers must ensure that their behaviour towards and relationships with students reflect proper standards of care for students. Staff, contractors and volunteers must not cause harm to students³.

Dealing with Report of Inappropriate Behaviour

A staff member who receives a report of inappropriate behaviour must report it to the principal. Where the Principal is the subject of the report of inappropriate behaviour, the staff member must inform a member of the College's governing body⁵. Reports will be dealt with under the College's Complaints Handling Policy.

Responsibilities under Criminal Code Act 1899 (Qld)

The Criminal Code Act 1899 includes two offences that pertain to the failure to report a child sexual offence and the failure to protect a child against a child sexual offence. A child sexual offence is an offence of a sexual nature by an adult against a child under 16 years or a person with an impairment of the mind.

Failure to Report¹³

Under section 229BC of the Code, all adults must report sexual offences against a child by another adult to police as soon as reasonably practicable after the belief is, or ought reasonably to have been, formed. Failure to make a report, without a reasonable excuse, is a criminal offence. This offence applies to all adults inclusive of students 18 years or older, as well as parents/guardians and volunteers at the school. A reasonable excuse not to make a report under the Criminal Code Act 1899 includes that a report has already been made under the Education (General Provisions) Act 2006 (reporting sexual abuse or likely sexual abuse) and the Child Protection Act 1999 (reporting significant harm or risk of significant harm) as per this policy.

Failure to Protect¹⁴

Under section 229BB of the Code, all adults in positions of power or responsibility within institutions to reduce or remove the risk of child sexual offences being committed must take reasonable steps to protect children in their care from a child sexual offence. A failure to protect is an offence.

Awareness

The school will inform staff, students and parents of its processes relating to the health, safety and conduct of staff and students in communications to them and it will publish these processes on its website¹⁵.

Accessibility of Processes

Processes relating to the health, safety and conduct of staff and students are accessible on the school website and will be available on request from the school administration¹³.

Training

The school will train its staff in processes relating to the health, safety and conduct of staff and students on their induction and will refresh training annually¹⁴.

Implementing the Processes

The school will ensure it is implementing processes relating to the health, safety and conduct of staff and students by auditing compliance with the processes annually¹⁵.

Complaints Procedure

Suggestions of non-compliance with the College's processes may be submitted as complaints under Complaints Handling Policy.¹⁶
